Foreword

As we leave Newport High School for jobs or institutes of higher learning, we cannot help but reflect upon our last four years. Many people have helped to shape us into mature young men and women. To them we owe a big thank - you. Our yearbook is our last project of high school years, and in it we hope to show all of the facets of high school life. Memories will be brought back to us in years ahead by flipping through its pages. This yearbook is our gift to all who follow us and also to ourselves.

Dedication

We, the Class of 1966, would like to dedicate our yearbook to you, Mr. Alexander. Your friendly smile and willingness to help have been invaluable to us. We appreciate the manner in which you make learning an enjoyable experience for all. Your friendly influence will be remembered throughout the years.

Dedication

We would also like to dedicate our yearbook to you, Dr. Bruno. In your two short years at Newport High School you have taught us two vital lessons. The first of these is perseverance, and the second is that no matter how small a task may be, we must always strive to do our best. We appreciate all you have done for us.

To the Class of 1966,

It seems that each year's graduating class meets greater challenges as it attempts to find its place in an increasingly complex society. For each of you in the Class of 1966, this challenge becomes something very tangible as you struggle with the decision of which path will best lead to your goals.

Your education to now has been but a prelude to the vast area of knowledge necessary to successfully fulfill any job or meet prerequisites for an education beyond high school. Your realization of this will become more profound as you enter this next phase of your life.

The Class of 1966 is next to the last to attend here under circumstances not unlike that of many similar high schools. During this next year students will witness an increased air of activity, anxiety, and perhaps even some confusion as plans become formulated for the union school. It is going to be up to each of you to continue your interest in education as informed citizens and to be continually aware that a school's curriculum must be in a state of constant change if it is going to meet the needs of the youth of a community.

I hope for each of you success in your endeavors as you strive for life's goals.

Leon H. Bruno

MR. SAM

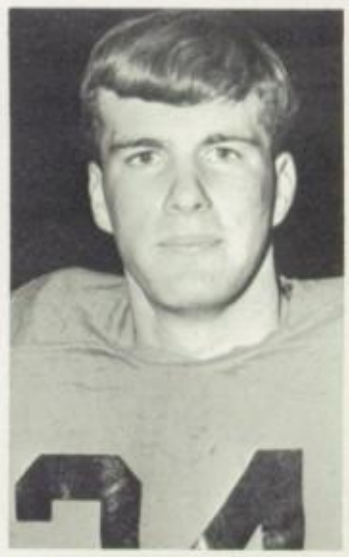
In Memoriam

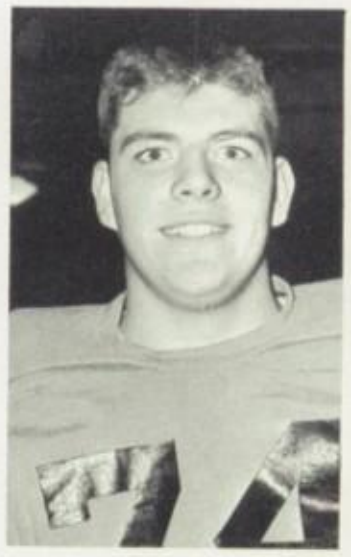
The Newport High School football seniors and the entire class dedicate this page to Mr. Carl Samuelson.

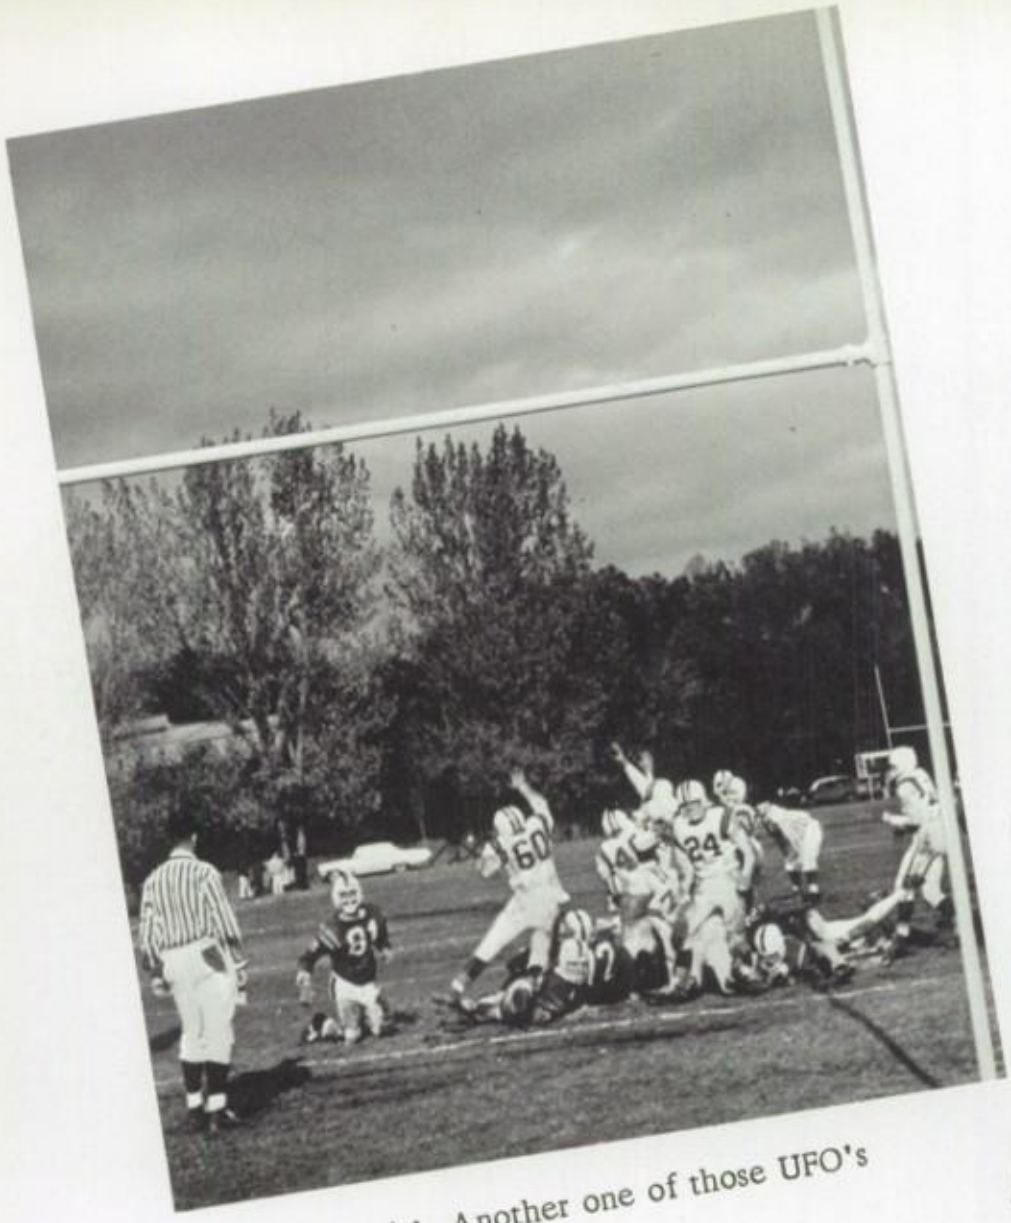
"Mr. Sam" was always a staunch supporter of the teams at Newport. He gave unselfishly of his time and efforts to improve and increase athletic opportunities for the boys of the community.

We feel that these words best characterize "Mr. Sam's" ideas about Athletics:

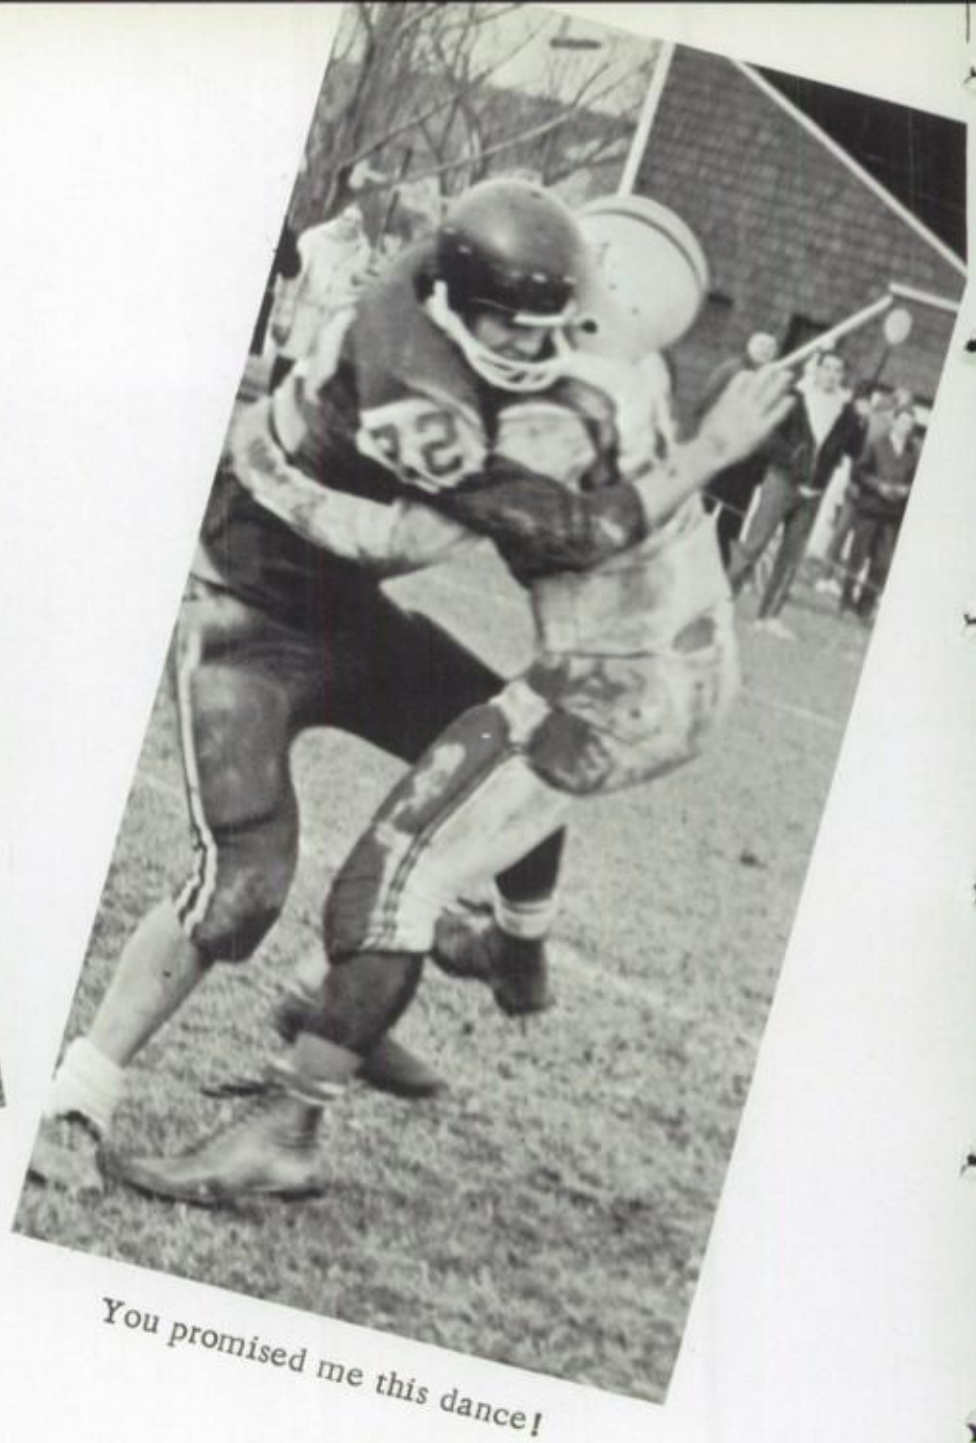
"It's not the summit but the fight for the summit."



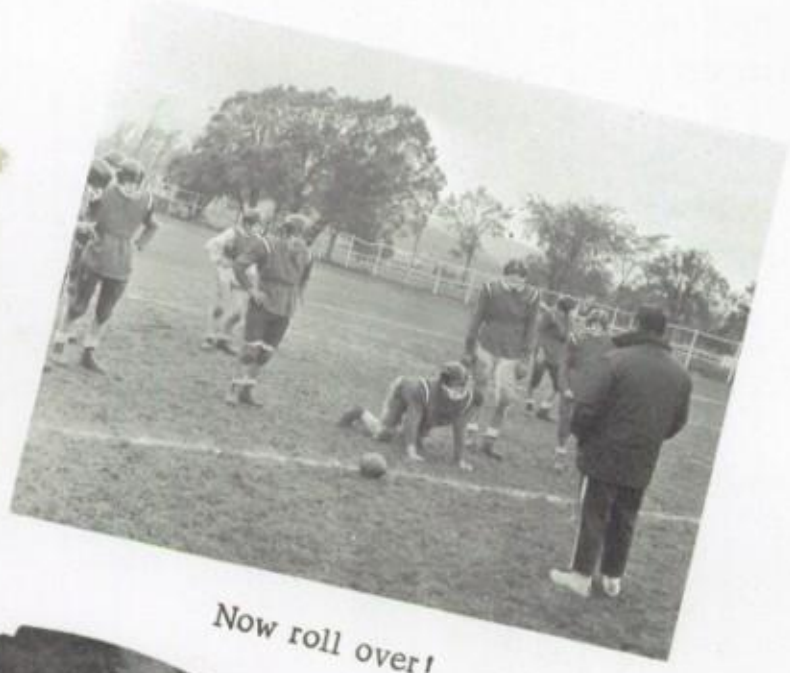




Look! Another one of those UFO's

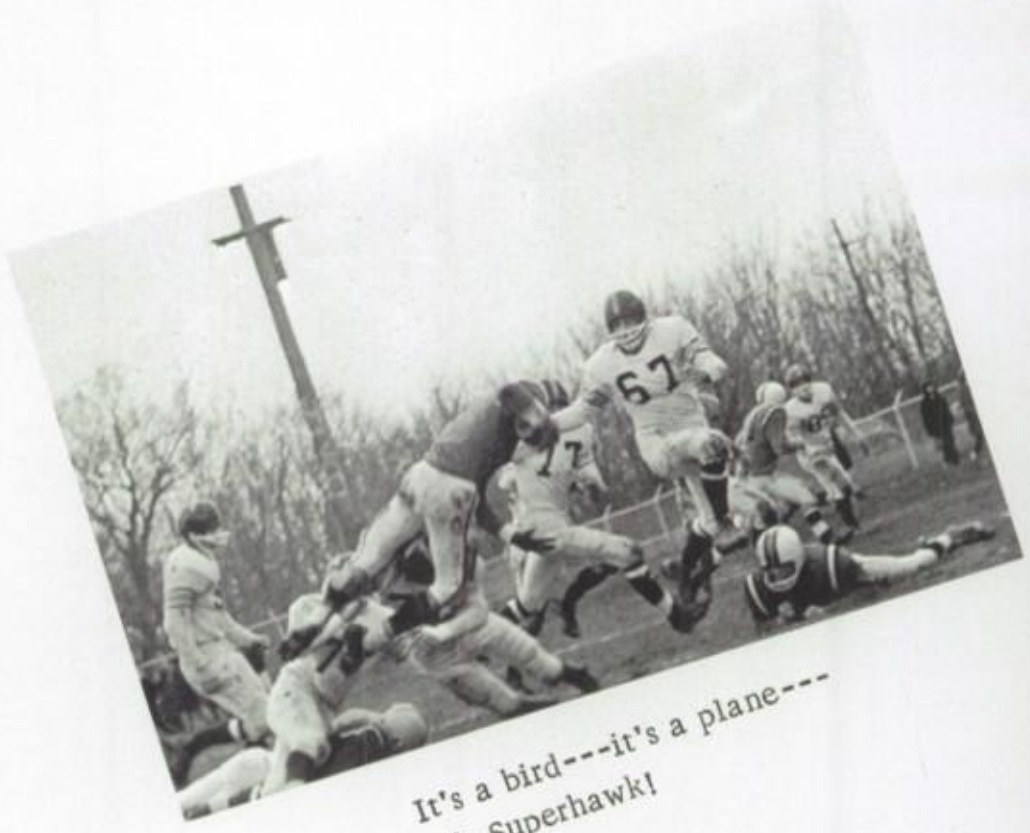


You promised me this dance!

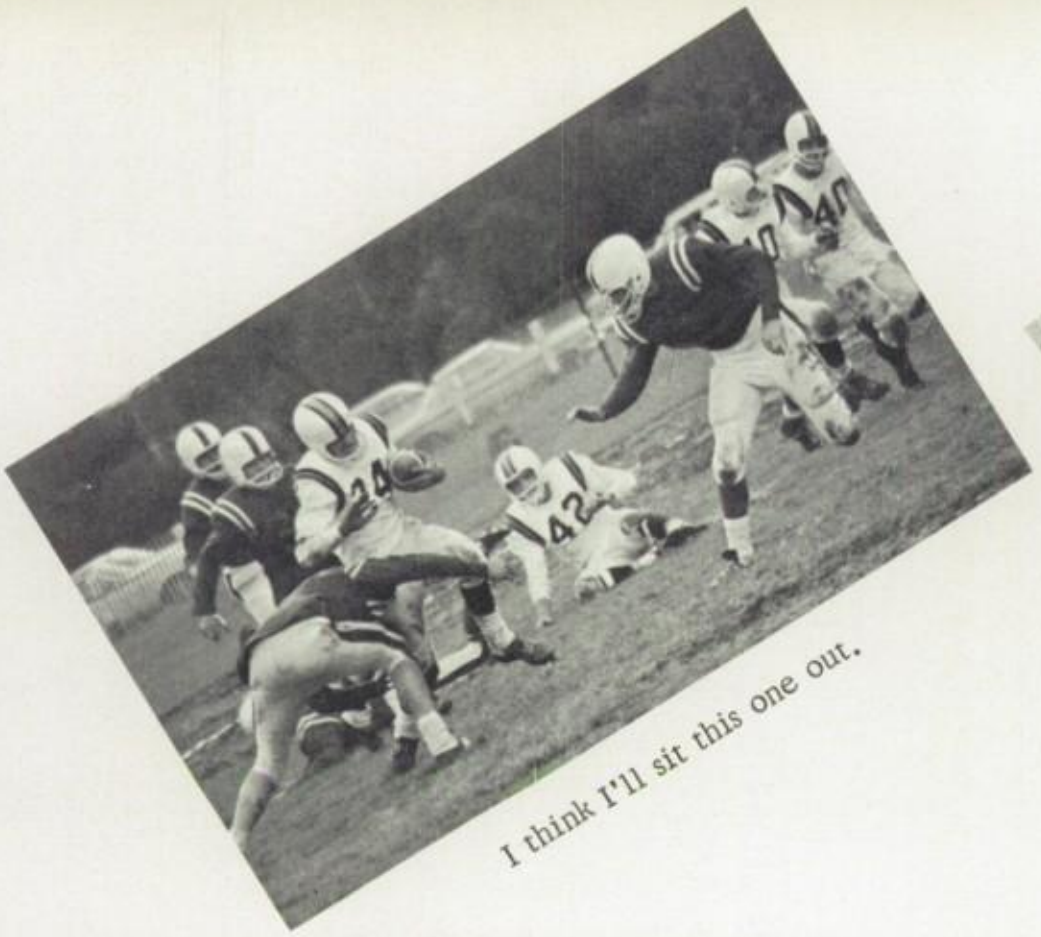


Now roll over!

The
Hooterville
Express



It's a bird---it's a plane---
it's Superhawk!

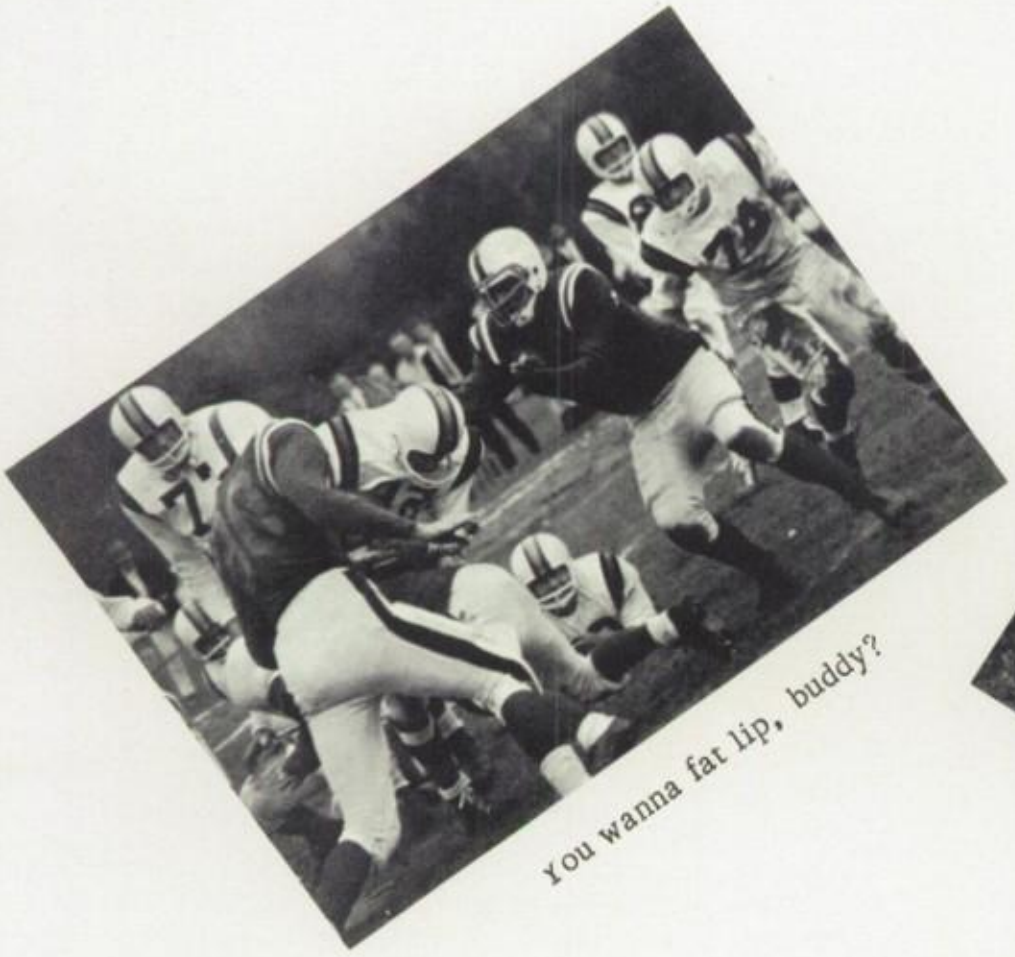


I think I'll sit this one out.

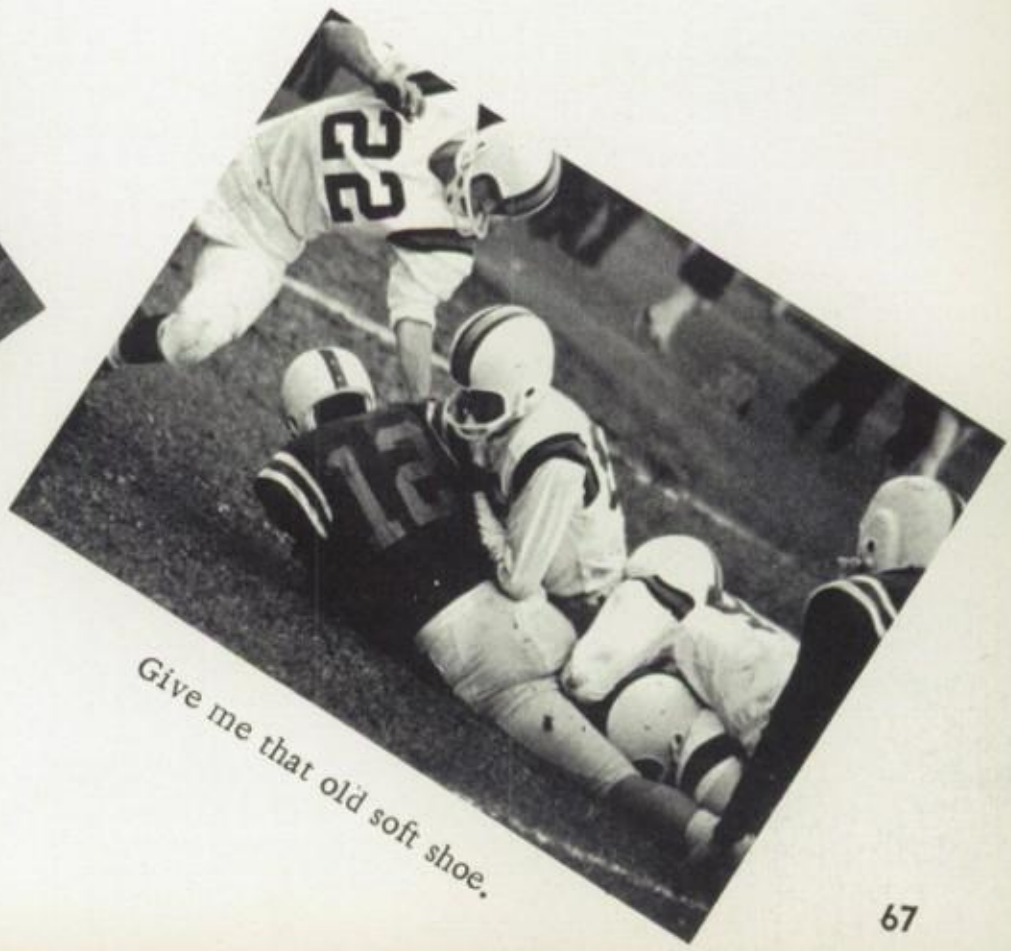
Stand by to crash!

Don't step on my blue
suede shoes!

So he took your teddy bear.



You wanna fat lip, buddy?



Give me that old soft shoe.

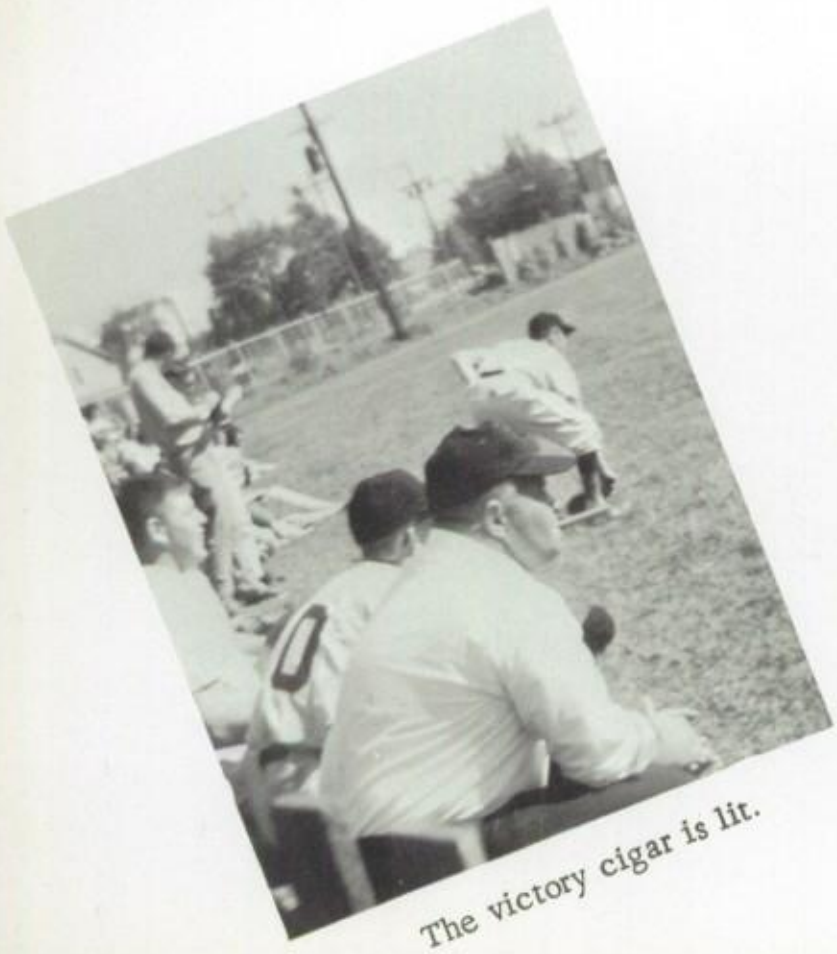
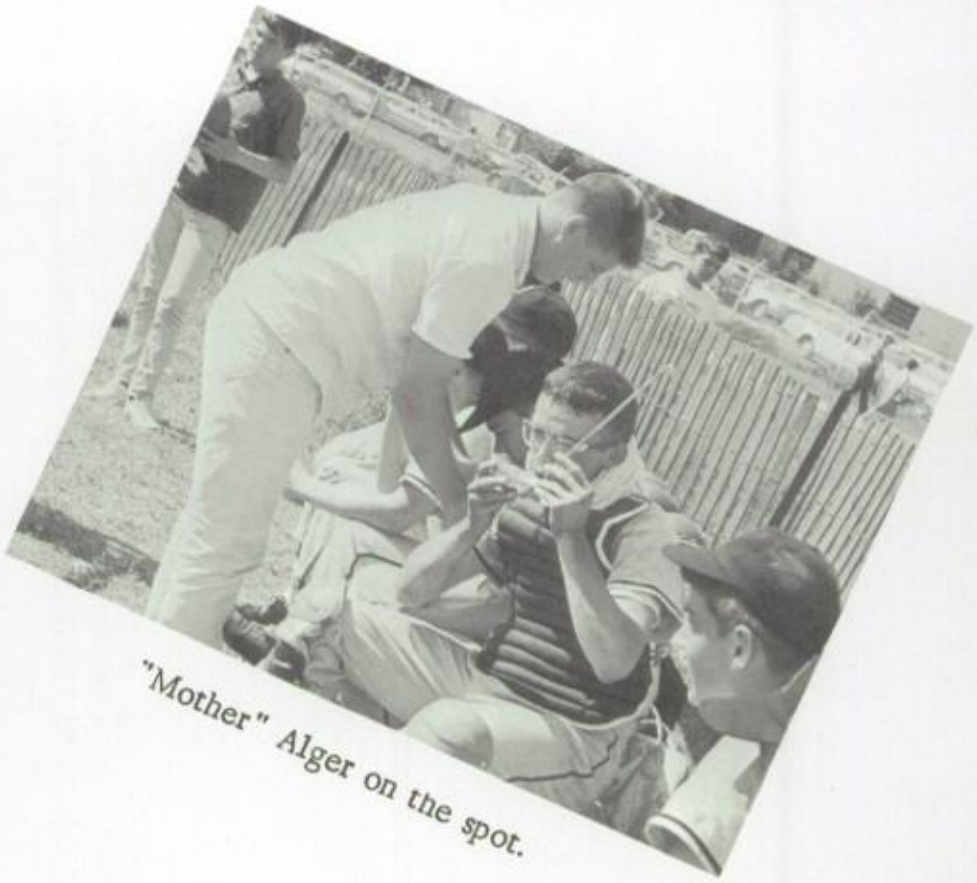
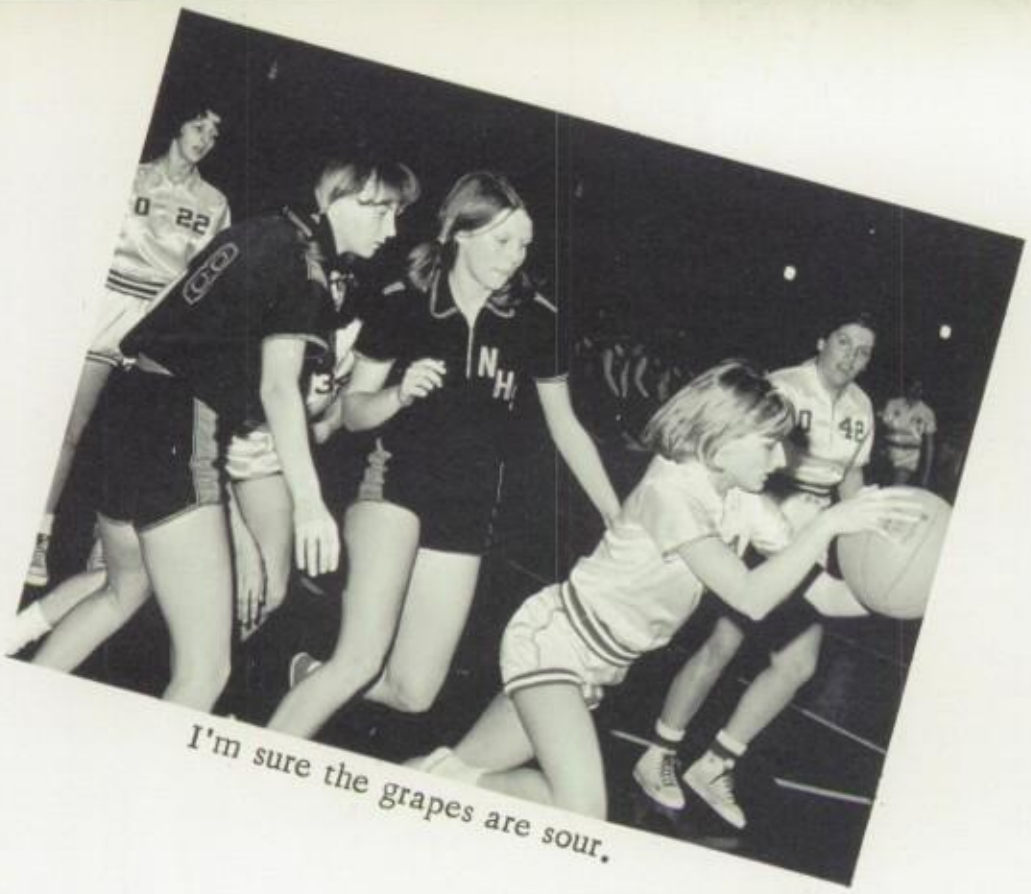
Congratulations!



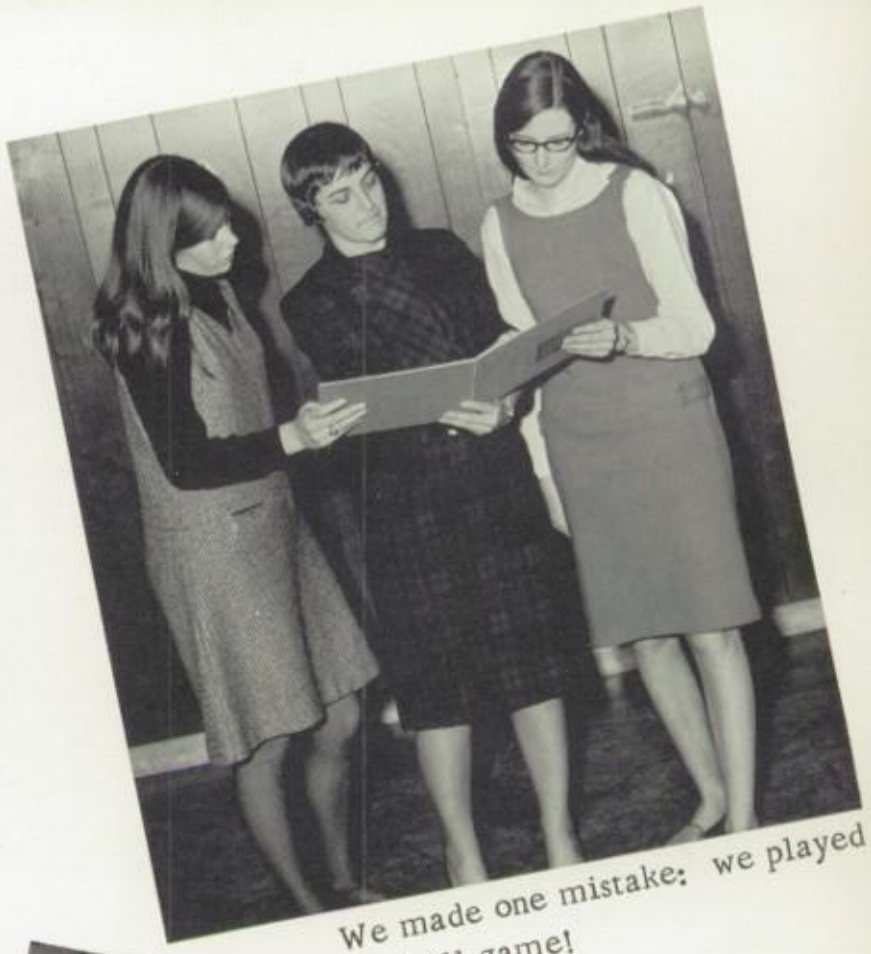
The victory cigar is lit.



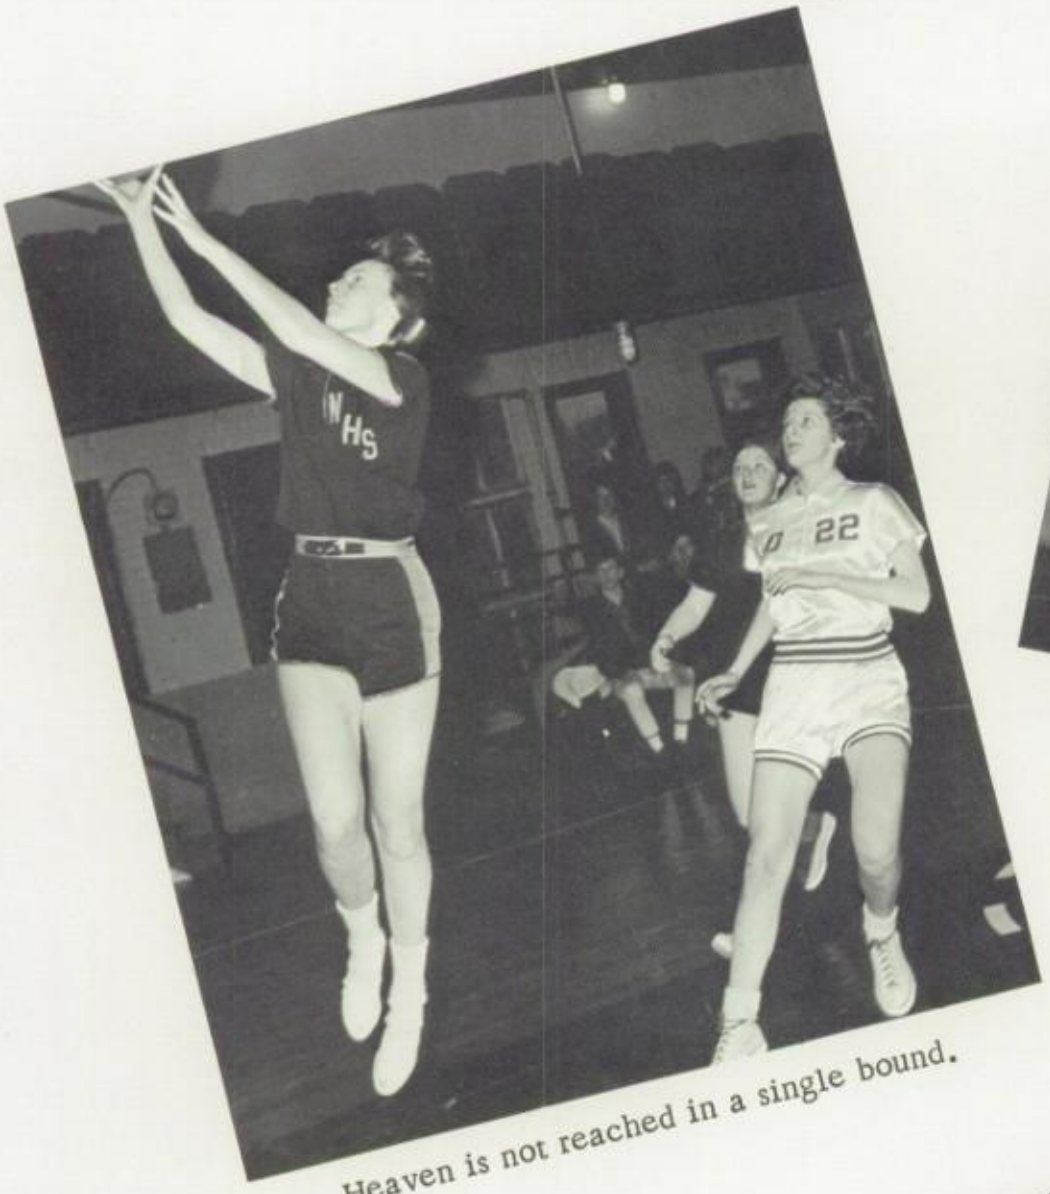
"Mother" Alger on the spot.



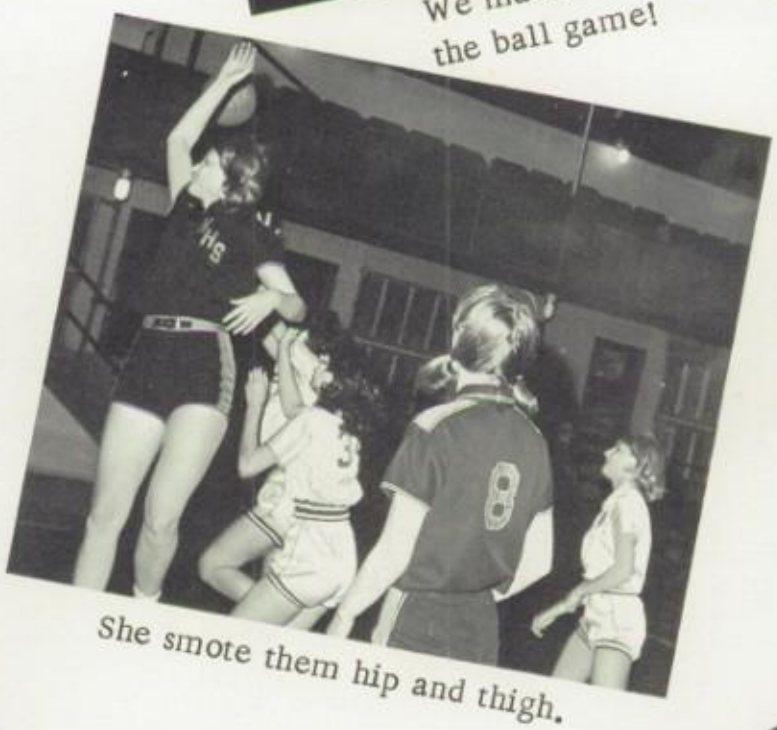
I'm sure the grapes are sour.



We made one mistake: we played the ball game!



Heaven is not reached in a single bound.



She smote them hip and thigh.

It is easy to be brave from a great distance.

IT'S A WONDERFUL FEELING

When you buy any electric appliance...big or little, toaster or washing machine... any electric appliance from your Citizens Utilities Store you get complete peace of mind. If the appliance needs installation, if you break something later, if a part wears out, you simply call the emergency repair service of your electric power company... the service that is never on vacation, always answers your phone call, gets on your job fast.

Expert Electricians, in their "prowl cars" ready to hurry to you.

It's a wonderful feeling.
